

# School Breaks at Talooli

## WINTER CAMP

At Winter Camp, which takes place during the February school break, everyone explores Camp Talooli while it is covered with a blanket of snow. Campers spend time looking for animal tracks, making snowmen, and sledding down Talooli's hills. Campers also spend time indoors cooking, playing games, and completing art projects.

## SPRING CAMP

April break arrives and everyone is looking for the signs of spring and the return of the robins and spring flowers at Talooli. Campers spend time doing some of the traditional camp activities such as hiking, boating, and archery while also taking part in indoor activities.

Both school breaks offer campers the opportunity to make friends and choose from a range of both inside and outside activities. For more information, call the Camp Fire USA CNY office at 315-463-8799 or visit our website at [www.campfireusacny.org/talooli](http://www.campfireusacny.org/talooli).
